1. Introduction – The Company

- 1.01 (a) Forever Living Products (FLP), an international family of companies that produces and markets exclusive health and beauty products throughout the world through a unique concept that encourages and supports the use and retail sales of its products through independent Forever Business Owners (FBO). FLP provides each FBO with the best quality products, support staff and a marketing plan in the industry. The affiliated companies and their products provide an opportunity for both consumer and FBOs to improve the quality of their lives from use of FLP products, and equal access to success to anyone willing to properly work the programme. Unlike most business opportunities, there is little financial risk to FLP's participants since no minimum capital investment is required and the Company provides a liberal buy back policy.
- (b) FLP does not represent that an FBO will achieve financial success without working or by relying solely on the efforts of others. Compensation in FLP is based upon the sale of its products. Each FBO is an independent contractor whose success or failure depends on personal effort.
- (c) FLP has a long history of success. The fundamental goal of the FLP Marketing Plan is to promote the sale and use of high quality products to consumers. The primary purpose of the FBO is to build a sales organisation to promote the sale and use of these products to consumers, directly and by building a sales organization.
- (d) The FBO, regardless of his/her level in the FLP Marketing Plan, is encouraged to make retail sales each month and keep records of such sales.
- (e) A successful FBO gains current knowledge of the market by attending training meetings, maintaining personal retail customers, and sponsoring other FBOs to sell to retail customers.
- (f) An FBO who has questions or needs clarification should contact Customer/FBO Support on +66 (0) 2 258 0842.
- 1.02 (a) Company Policies have been implemented to provide restrictions, rules and regulations for proper sales and marketing procedures and to prevent improper, abusive or illegal acts. Such Company Policies and the Code of Professional Conduct are revised, modified and added to, from time to time. Revisions, modifications or amendments to the Company Policies and the Code of Professional Conduct shall be published on the FLP Company website at www.foreverliving.co.th and shall become effective 30 days after publication unless otherwise stated.
- (b) Each FBO has an obligation to become familiar with the Company Policies and the Code of Professional Conduct in existence at the time of enrolment and as revised, modified or amended by the Company.
- (c) Each FBO, upon completing the Forever Business Owner Application Form, agrees to abide by FLP Company Policies and the Code of Professional Conduct. Language therein specifically refers to the FBO's contractual commitment to follow FLP Company Policies and the Code of Professional Conduct. The placing of orders for products with FLP is a reaffirmation of such commitment to abide by the Company Policies and the Code of Professional Conduct. Any acts or lack of action, which results in a misuse,

misrepresentation or violation of the Company Policies and/or the Code of Professional Conduct, may cause termination of the license granted to use FLP's registered trademarks, service marks, and other marks, including the right to buy and distribute FLP products.

- 1.03 Forever Living Products (Thailand) Company Limited (which is referred to in this Handbook as "the Company") is the promoter of this selling system.
- 1.04 Forever Living Products (Thailand) Company Limited is an associated company of Forever Living Products International Inc, whose Head Office is at 7501 East McCormick Parkway, Scottsdale, Arizona 85258 USA.
- 1.05 The Forever Living Products group of companies is engaged in the sale and distribution of health, nutritional and beauty-related products which are fully described in their company literature.
- 1.06 The Forever Living Products group of companies sells their products through a multi-level marketing plan using Distributors or as referred herein as Forever Business Owners (FBO) to sell the products and deliver them to retail customers. The Forever Living Products Marketing Plan is founded upon honesty, integrity and allows an equal and fair opportunity for everyone to achieve success.
- 1.07 All FBOs agree to comply with the rules and regulations set out in this Company Policy Handbook and agree that the Company has a right to change these rules at any time on not less than thirty days' written notice. FBOs agree to comply with those rules, as amended, and that they form part of their contract with the Company. No amendment to the rules will require FBOs to incur any expenditure but they may require them to amend their business practices. Any changes to the Policy Handbook will be notified to FBOs by email and/or the company website and/or social media channels and/or meetings and FBOs agree that this is sufficient notification. FBOs agree that if they haven't supplied their email address to the Company they are still bound by any change to the Policy Handbook.
- 1.08 A copy of the Company Policy Handbook should be supplied to new FBOs by the Sponsor before the FBO Application is completed.
- 1.09 It is illegal for the Company or an FBO to persuade anyone to make a payment by promising benefits from getting others to join the selling system. Do not mislead by making claims that high earnings are easily achieved.

3. Warranty, guarantee, product return and buy-backs

3.01 The following time periods shall apply except where modified by local law.

3.02 FLP warrants satisfaction and guarantees its products are free from defect and substantially conform to product specifications. For all FLP products exclusive of literature and promotional products, this warranty and guarantee shall be for a period ending (30) thirty days from date of purchase.

Retail Customers

3.03 (a) Retail/Novus Customers are guaranteed 100% product satisfaction. Within (30) thirty days from the date of purchase, a Retail/Novus Customer may:

- 1) obtain a new replacement for any defective product; or
 - 2) cancel the purchase, return the product and obtain a full refund of the purchase price, excluding shipping.
- (b) In all cases, proper notice, proof of purchase and timely return of the product is required to be given to the source of purchase. FLP reserves the right to reject repetitive returns.
- (c) When FLP products are acquired by Retail/Novus Customers from or through the Company's Webstore and subsequently returned for refund, the Profit and Bonus which was disbursed will be charged back to the FBO(s) who benefited from the sale, and the FBO who made the purchase may no longer be Wholesale Qualified.
- (d) When FLP products are acquired from or through an FBO, that FBO is the primary party responsible for customer satisfaction by exchanging the product or refunding the money. In the event there is a dispute, FLP will determine the facts and resolve the issue. If cash is disbursed by FLP, the same will be charged back to the FBO(s) who benefited from the product sale.

Refund and buy-back procedure for the FBO

3.04 During the respective stated periods of warranty and guarantee, FLP will provide a new replacement of the same such product in exchange for a defective product or for one that has been returned to an FBO by a Retail Customer for lack of satisfaction. Such replacement shall be subject to validation of presented proof of timely purchase. Such purchase must have been by the FBO returning the product. In addition, for replacements of products to an FBO for product returns by Retail Customers, a proof of sale to the Retail Customer and written proof of cancellation along with a signed receipt for return of funds as well as the return of product or empty containers will be required. Repetitive returns of product by the same parties may be rejected.

3.05

- (a) FLP shall buy-back any unsold, saleable FLP product, except literature, that has been purchased within the previous twelve (12) months from any FBO who terminates his/her Forever Business. The terminating FBO must return all products for which a refund is being claimed, along with proof of purchase, to FLP.
- (b) If the product returned by a terminating FBO was purchased at Novus Customer Price, the Novus Customer Profit will be deducted from the FBO to whom it was paid and, if the product returned is greater than 1cc, all Bonuses and Case Credits received by the terminating FBO's upline for the products returned will be deducted from the upline. If the Case Credits were used for any level move-ups of the FBO or upline, those move-ups may be re-calculated after deducting the Case Credits to determine if the move-ups should remain in force.
- (c) If a terminating FBO returns any combination pack, and it is missing some product, the refund and the deductions from the upline will be calculated as if the entire combination pack was returned, and then the Wholesale or Novus Customer Price of the missing components will be deducted from the refund issued.
- (d) After verification of the facts, the FBO will receive a refund from FLP in the amount equal to the FBO's cost of the products being returned, less the bonuses personally received and the cost of handling, freight and any other appropriate setoffs.
- (e) After recouping any costs or damages resulting from the terminated FBO's adverse conduct, if any, FLP will remove the FBO from the FLP Marketing Plan, and his/her entire downline organisation will move up directly under the terminating FBO's Sponsor in the current generation sequence.

3.06 The "buy-back rule" is designed to impose upon the Sponsor and the Company the obligation to ensure that the FBO is buying products wisely. The Sponsor should make every effort to provide recommended guidelines to the FBO so that he/she purchases only as much product as is required to meet immediate sales needs. Products previously certified as having been sold, consumed or utilised shall not be subject to repurchase under the "buy-back rule."

1	50	75	100
2	100	150	200
3	150	225	300

(d) During the period of 36 months immediately following qualification, the Manager will receive the maximum payment amount for the level achieved each month that the month 3 Case Credit requirement is maintained.

If in the subsequent months, the qualifying Manager's Case Credits increase to 50 or more, the Earned Incentive will be paid in accordance with the policy as set forth above.

- (l) At the end of the 36-month period, a Manager may re-qualify for a new Earned Incentive using the same qualifications as outlined above. This requalification must be satisfied during any 3 consecutive months within the last 6 months of the original 36 month period.

After an FBO (regardless of level) personally purchases at least 2CC of product within any two consecutive months, they then purchase at the wholesale price. The difference between the Novus Customer Price and the wholesale price will be paid to the immediate Sponsor.
- 13.02 "Stacking", i.e., the buying of product from the Company under another FBO's ID and "buying-in", i.e., buying in quantities which exceed the amount required to meet immediate sales needs, are prohibited and evidence of such may result in loss of bonus, awards and revised qualifications in respect of incentive programmes or termination of the FBO agreement. Orders for a product should not be placed until 75% of the FBO's stock of that product has been sold. Further, by placing a reorder for the same product, an FBO is certifying that he/she has used or sold 75% or more of the previous batch ordered.
- 13.03 Any FBO may order product and literature directly from any of the Company's Product Centres, which are based at some Area Centres.
- 13.04 FBOs cannot purchase more than 25cc on their own ID in any single month without prior permission from Head Office.
- 13.05 The Company will only recognise orders placed at one of its Product Centres in person, or through the Head Office, by telephone, facsimile, post, email, or via the Company's website at www.foreverliving.co.th.
- 13.06 If an FBO asks a third party to place and collect orders for them, it is the FBO's responsibility to obtain proof that the order has been correctly placed. The Company's responsibility is to ensure that all orders received are allocated and fulfilled as they are presented.
- 13.07 The Minimum FBO order is 500 THB inclusive of VAT at the Wholesale price inclusive of Personal Discount. Novus Customers have no minimum order value.

Paying for Orders

- 13.08 All orders with appropriate payments must be received and processed by the Company by the close of the last business day of the applicable month to qualify for a bonus generated for that month. All FBOs are encouraged to place their order in sufficient time for any deadline to avoid disappointment. The Company will not be liable for any order that is received too late to be processed before close of business on the last qualifying day.
- 13.09 Any orders placed at a Product Centre should be checked upon receipt and the Product Centre Supervisor notified immediately of any discrepancy or damage. Sales are considered final once the FBO has made or approved payment and left the Product Centre. Where an order is received via a courier the Head Office should be notified within 24 hours of receipt if there are shortages or breakages.

- 13.10 Any orders placed at Product Centres have to be collected within ninety days of the order being placed. The company accepts no responsibility for orders not collected within this period.
- 13.11 No refunds shall be made to FBOs, unless their FBO contract is to be terminated (see Section 22: Terminating an FBO Agreement).
- 13.12 Each order must be paid for on or before collection by the FBO placing it, using his/her own funds.
- 13.13 All orders must be paid for at the time of ordering. The full value of the order must be covered by one payment method. The only acceptable methods of payment for such orders are:
- (a) Cash, Credit, Debit or charge cards (Visa, Mastercard, American Express).
- The use of a credit or debit card belonging to a third party is not acceptable.
- Note: For internet orders the only acceptable methods of payment are PayPal, Visa, Mastercard or American Express.
- 13.14 Cheques will NOT be accepted as payment for such orders.
- 13.15 In the unlikely event that a payment is not honoured, the Company reserves the right to pass on all additional expenses incurred.
- 13.16 Any payments which have been declined will result in any bonuses generated by those orders being held at the discretion of the Company and reductions to the bonuses in subsequent months to the value of the uncleared payments (and associated bank charges) being made. Any balance owed after these deductions will be forwarded to the FBO as soon as is reasonable.
- 13.17 Where a payment for orders upon which bonuses have been paid is not made good following a declined payment, the bonuses paid to the FBO's upline will be recovered at the earliest possible time by making a deduction from future bonus payments to the upline.

Price and/or CC changes

- 13.18 The Company undertakes to give notice of at least one calendar month of impending price or CC changes. This notice will be published in the Company's monthly Newsletter.
- 13.19 In the event of such changes, the Company will not exchange literature, except at the sole discretion of the Executive Committee.

14. Re-sponsoring Policies

- 14.01 (a) An existing FBO can re-sponsor under a different Sponsor provided that, during the preceding 12 months, he/she has:
- 1) Been an FBO, and
 - 2) Not purchased or received any FLP products, either from the Company or from any other source, and
 - 3) Not received payments of any kind from an FBO, and
 - 4) Not sponsored any other individuals into the FLP business.
- (b) The FBO being re-sponsored must sign and have notarised an affidavit under penalty of perjury with respect to the above policy before re-sponsoring will be allowed.
- (c) If there is a second-named person on the re-sponsoring FBO Business, he/she will not be included as part of the re-sponsored FBO Business. Such second-named person is then eligible to re-sponsor under any FBO, having fulfilled the requirements listed in paragraphs (a) and (b) of this section.

If the second-named person wishes to re-sponsor under the first-named person of an FBO business that is not being re-sponsored, he/she may do so without having to fulfill the requirements listed in paragraphs (a) and (b) of this section.

If the spouse of a legally married FBO who is not being re-sponsored wishes to create his/her own Forever Business, he/she must do so by sponsoring directly under his/her spouse or directly under the spouse's Sponsor, without having to fulfill the requirements listed in paragraph 14.01 of this section.

- (d) A re-sponsored FBO begins again as a Novus Customer under the new Sponsor and loses any downline acquired to that point in all countries into which he/she was previously sponsored.
- (c) A re-sponsored Novus Customer counts as a newly-sponsored Novus Customer for all global incentives and promotions.
- (d) If the re-sponsoring FBO is a Sponsored Recognized Manager, and has any 1st Generation Recognized Managers in his/her organization, these Managers will be classified as Inherited Managers in the newly appointed Sponsor's 1st Generation.
- 14.02 (a) If an FBO has different Sponsors in countries which are subsequently combined into a single Operating Company, he/she may do either of the following:

- 1) Relinquish the Forever Business and any existing downline in the Country into which he/she last sponsored, provided that he/she has not purchased product or sponsored anyone within the last 12 months in that Country; and retain the Forever Business under the Sponsor who is on his/her original Application Form. He/She will retain the current sales level attained in the Marketing Plan. The downline of the relinquished business will move up to the next upline Sponsor.

- 2) Retain the separate Forever Businesses; that of the original Sponsor will be the primary in which he/she qualifies as Active each month. Upon so qualifying, the secondary Forever Business will receive an Activity Waiver.

15. International sponsoring policies

15.01 (a) This policy affects all International Sponsoring after May 22, 2002.

(b) A Wholesale Qualified FBO can be sponsored into a Country outside his/her Home Country by following the procedure outlined below:

- 1) The FBO must contact the Head Office of his/her Home Country, or the country into which he/she wishes to sponsor, and request to be internationally sponsored into the desired country.
- 2) The FBO's original ID number will be used in all countries into which he/she is internationally sponsored.
- 3) The FBO's Sponsor will be the person who appears as the Sponsor on his/her very first application form accepted by FLP, except in the case of a Responsorship or a Novus Customer 6-month Sponsor change.
- 4) The FBO will automatically start at the current attained Sales Level in all countries into which he/she is internationally sponsored.
- 5) When an FBO achieves a Sales Level with Case Credits from a single Operating Company, it becomes effective in that Company immediately upon qualification and is reflected in all other countries the following month. If the FBO achieves a Sales Level (Supervisor, Assistant Manager, Manager only) with Case Credits combined from multiple Operating Companies, it becomes effective in all countries on the 15th of the month following the qualification.
- 6) Upon achieving Active status (4cc) in the Home Country, the FBO will be considered Active in all other countries the following month, regardless of the Sales Level he/she has achieved.
- 7) If an FBO who has not yet achieved Manager in his/her Home Country is moved up to Manager level in a foreign country, he/she must be Active during the move up period and have at least 25 Personal and Non-Manager Case Credits either in the Home Country or in the country of move up during the final Month of move up in order to be a Recognized Manager.
- 8) When an FBO changes residence to a different country, he/she must notify the old country of residence so that the address can be changed and a new Home Country assigned.

(c) A Novus Customer can be registered and assigned to the same FBO in multiple countries, however the Case Credits of his/her purchases cannot be combined from multiple countries for qualification as a Wholesale Qualified FBO.

16. Prohibited activities

- 16.01 (a) The Executive Committee's decision to terminate a Forever Business or to disallow, realign or adjust the Personal Discount, Bonuses, Case Credits, compensation or any incentive awards for any FBO's involvement in activities or omissions that are not in conformance with Company Policies or the Code of Professional Conduct shall be final. Intentional acts of omission and disregard for the Company Policies or the Code of Professional Conduct by an FBO shall be severely dealt with which may include termination and legal action for damages.
- 16.2. Prohibited activities causing grounds for termination and liability for any damages caused by such acts include, but are not limited to, the following conduct:
- (a) **Fraudulent Sponsoring.** An FBO is prohibited from sponsoring individuals without the knowledge of and execution of a Forever Business Owner Application and Agreement by such individuals; the fraudulent sponsoring of an individual as an FBO; or the sponsoring or attempted sponsoring of non-existent individuals as FBOs or Customers ("phantoms") to qualify for commissions or bonuses.
 - (b) **Bonus Buying.** An FBO is prohibited from ordering more product than required to meet immediate sales needs, and additional products may be purchased only after 75% of that product's inventory has been sold, consumed or otherwise utilised. An FBO is prohibited from purchasing products or encouraging other FBOs to purchase products solely for the purpose of qualifying for bonuses, and from using any other mechanism by which strategic purchases are made to maximise commissions or bonuses when an FBO does not have a bona fide use for the products purchased. In order to ensure no inventory loading is occurring:
 - 1) Each FBO who orders product that was the subject of a prior order shall also be confirming and certifying to the Company that 75% of the prior order of that product has been sold or otherwise utilised. Each FBO should keep accurate records of monthly sales, which records can be subject to inspection by the Company upon reasonable notice. Such records will include reports reflecting inventory on hand at the end of the month.
 - 2) The Company will be liberal in its application of the buy-back policy on termination of a Forever Business, but FLP will not repurchase products or issue refunds on products certified as having been consumed or sold. Falsely representing the amount of product sold or consumed in order to advance in the Marketing Plan shall be grounds for termination.
 - 3) To discourage the FBO from encouraging other FBOs to circumvent the inventory loading prohibition, the Company will charge back to a terminated FBO's upline any bonuses paid on product returned from a terminating FBO.
 - (c) **Proxy Purchasing.** An FBO is prohibited from purchasing product in any other than his/her own name.
 - (d) **Selling to Another FBO.** In addition to retail activities, an FBO is prohibited from selling product to any FBO other than his/her personally sponsored FBOs, but at not less than Wholesale Price. Any other sale to another FBO, either directly or indirectly, is a

prohibited transaction for both the selling and the buying FBO. The equivalent Case Credit of such a prohibited sale shall not be allowed for purposes of meeting the Active requirement or qualification requirement for any other benefits within the Marketing Program. Resulting adjustments shall be made for this non-compliance.

- (e) An FBO is prohibited from engaging in activities that are prohibited in all sections of 17.01, 19.02, and 20 as set forth herein.
- (f) An FBO is prohibited from appearing in, being referenced in, or allowing the FBO's name or likeness to be featured or referenced in any promotional, recruiting or solicitation materials for another direct sales company.
- (g) An FBO is prohibited from any action or failure to act which evidences intentional disregard and gross negligence of Company Policies or the Code of Professional Conduct.
- (h) **Selling in Stores.**
 - 1) Except as herein provided in this Section below, an FBO is prohibited from permitting Company products to be sold or displayed in retail stores, military PXs, swap meets, flea markets, or like exhibitions. However, exhibitions for a period of less than one week in a twelve-month period at the same venue are considered temporary and are therefore permitted after receiving written approval from the Home Office.
 - 2) An FBO who has a service-oriented office, barber shop, beauty shop or health club is permitted to display and sell products within that office, shop or club. However, exterior signs or window displays by such FBO to advertise the sale of Company products are prohibited.
 - 3) An FBO is prohibited from selling or marketing Forever brand product except that it be in its original packaging. However, products may be promoted and served in restaurants by the glass or portion.
- (i) **Using Unauthorised literature.** The Company's prior written approval is required to use, produce or sell any sales aid or materials other than those provided by FLP.
 - 1) An FBO is prohibited from promoting or selling any sales aids, training materials, websites or Apps not provided by FLP, except to FBOs within his or her own downline. Such materials offered for sale to his or her downline must be approved by FLP, and be sold at a reasonable price.
- (j) **Selling Online.** An FBO is prohibited from transacting the sale of Forever product using any internet based sales channel other than the Company provided retail storefront at foreverliving.co.th or a Company approved third party website.
- (k) **Selling to Others for Resale.** An FBO is prohibited from selling FLP products to anyone for the purpose of resale or entrusting others to sell FLP products.
- (l) **Sponsoring an FBO into Another Company.** An FBO is prohibited from, directly or indirectly, contacting, soliciting, persuading, enrolling, sponsoring or accepting any FBO, FLP customer or anyone who has been an FBO or Customer within the last twelve (12) months, into, or encouraging any such person in any way to promote opportunities in marketing programs of any direct sales company other than FLP.

- (m) An FBO is prohibited from disparaging other FBOs, FLP's products/services, the Marketing and Compensation Plan, or FLP's employees to other FBOs or third parties. Any questions, suggestions or comments regarding these issues should be directed in writing to FLP's corporate offices only.
- (n) **Making Product Claims.** FBOs may not make any representation, expressly or by implication, that Forever products can prevent, diagnose, treat or cure any disease or medical condition. Forever products that are intended to be ingested into the body are purely nutritional and/or nutritional supplements and are, therefore, regulated throughout the world as food. Forever products that are intended to be used on the body are regulated throughout the world as cosmetics. Forever does not produce or distribute any products that are to be considered or described as a medicine, treatment or cure.
- (o) **Making Earnings Claims.** FBOs may not make any representation, expressly or by implication, regarding the amount or level of income, including full-time or part-time income, that a prospective FBO can reasonably expect to earn. Implied representations of income that an FBO reasonably can expect to earn include, but are not limited to, representations and/or images used to show a dramatically improved, luxurious or lavish lifestyle.
- (p) **Operating Business by Proxy.** A Forever Business, and any resulting downline, created or operated by proxy, either intentionally or inadvertently, is prohibited, and shall be adjusted for compliance with Company Policies and the Code of Professional Conduct by the Executive Committee.
- (q) **Exporting Product.** An FBO is authorised to purchase product for the purpose of selling and using said product in the country in which it was purchased. An FBO is prohibited from purchasing product for the purpose of exporting said products to a country outside the country in which it was purchased, except for his/her personal and family use in a country where there is no authorised FLP office, without the written consent of the Home Office in Scottsdale, Arizona, USA.
- (r) **Advertising Price of Product.** An FBO is prohibited from any form of advertising of our products at any price below the Suggested Retail Price. This includes a stated price or any other pricing formula that reduces the price paid for any Forever product to below that of SRP.
- (s) An FBO is prohibited from attempting in any manner to induce, coerce or persuade any other FBO to terminate his or her position, cease doing business or reduce his or her business building activities for any reason.

17. Company Policies

- 17.01 (a) The FBO relationship with FLP is one of a contractual nature. Only adult individuals, 20 years of age or older, may contract with FLP to be an FBO.
- 1) In Thailand it is not currently possible for an FBO to register a closely-held business entity to hold his/her Forever Business. FLP Thailand, however, recognizes foreign business entities. FBOs in other countries should contact their Home Office for more information.
- (b) An FBO is considered an Independent Contractor, and is required to conduct his/her business within the terms of the Forever Business Agreement, and in compliance with the Company Policies and the Code of Professional Conduct that are applicable in the country in which he/she is conducting business.
- (c) A Forever Business consists of the person named on the Forever Business Owner Application form on file at the Home Office.
- If the spouse of a legally married FBO wishes to create his/her own Forever Business, he/she must do so by sponsoring directly under his/her spouse or directly under the spouse's Sponsor.
- (d) An FBO shall be held responsible to properly manage the his/her Forever Business, specifically, but not limited to, preventing family members from using information obtained through such Forever Business to circumvent compliance of Company Policies and the Code of Professional Conduct required or evolving from the Forever Business of the FBO. An FBO's failure to properly manage his/her Forever Business may result in termination.
- (e) In the event that the downlines of an FBO sponsor into a foreign country and the FBO has not previously been sponsored into that country, the FBO will be automatically sponsored into that foreign country and agrees to the prevailing policies and local laws of that foreign country and agrees to be bound by the dispute resolution policies set forth herein.
- 17.02 FLP agrees to sell the FBO product and pay volume bonuses as provided in the Company Marketing Plan, provided the FBO is not in violation of such FBO's contract with FLP.
- 17.03 An FBO may develop his/her own marketing techniques, so long as they are not in violation of any Company, state, federal or jurisdictional rules, regulations or statutes.
- 17.04 Any transfer other than by inheritance of a Forever Business, without prior Company approval, is prohibited and any such transfer shall be void. For the purpose of this provision, a change of beneficial interest of a Trust held Forever Business shall be treated as a transfer, which requires written approval by the Company to be valid.
- 17.05 Except as herein provided, an FBO is prohibited from, directly or indirectly, changing Sponsors. FLP will only consider the first valid Application received by the Home Office. Subsequent applications shall be disallowed.
- 17.06 When an FBO changes residence to a different country, he/she must notify the old country of residence so that the address can be changed and a new Home Country assigned.
-

17.07 **Errors or Questions.** If an FBO has questions about or believes any errors have been made regarding the Personal Discount, bonuses, downline activity reports, charges, or changes, the FBO must notify FLP within sixty (60) days of the date of the purported error or incident in question. FLP is not responsible for any errors, omissions or problems not reported within sixty (60) days.

17.08 **Voluntary Termination.**

- (a) An FBO may terminate his/her Forever Business by submitting a written request, signed by all named individuals appearing on the current approved Forever Business. The effective termination date is the date on which the Home Office accepts the termination request. The terminating FBO forfeits the current sales level and all downlines, including those in foreign countries, established at the time.
- (b) Once an FBO terminates, the spouse (if on the same FBO Business) is also considered terminated.
- (c) After 12 months, a terminated FBO may reapply subject to Home Office approval. Upon such approval, the FBO will enter as a Novus Customer, and will not have the previous downline organization restored.
- (d) If the terminating FBO is a Sponsored Recognized Manager, and has any 1st Generation Recognized Managers in his/her organization, these Managers will be classified as Inherited Managers to the newly appointed Sponsor.

17.09 **Termination or Suspension for Cause.**

- (a) Termination means a severance of all domestic and international privileges and contractual rights available to an FBO, including the privilege to buy and distribute the products. The Termination will result in the inability to qualify for Bonuses, and severance of participation in all other benefit programs sponsored by the Company.
- (b) A terminated FBO shall, upon demand by FLP, be liable to repay, return or compensate FLP for any benefit programs, prizes, inventories, or bonuses received from FLP from and after the date of the activities causing such Termination. After recouping any costs or damages resulting from the terminated FBO's conduct, forfeited bonuses, caused by such Termination, shall be paid to the next qualifying FBO upline who is not in violation of any of the Company Policies and the Code of Professional Conduct.
- (c) After 12 months, a terminated FBO may reapply subject to Home Office approval. Upon such approval, the FBO will enter as a Novus Customer, and will not have the previous downline organization restored.
- (d) Suspension is a temporary status that prohibits an FBO from placing orders, receiving profit and bonus payments, and sponsoring other FBOs.
- (e) The profits and bonuses of a Suspended FBO shall be held until the FBO is either reinstated or terminated. If reinstated, the withheld payments shall be paid to the FBO; otherwise they shall be disbursed in accordance to the marketing plan.
- (f) If the terminated FBO is a Sponsored Recognized Manager, and has any 1st Generation Recognized Managers in his/her organization, these Managers will be classified as Inherited Managers to the newly appointed Sponsor.

17.10 **Internet Policies.**

- (a) **Selling Products Online.** Each FBO will be offered the opportunity to purchase a Company-approved FBO website, FLP360, for marketing products online using a direct link to the Company's Webstore at www.foreverliving.com and/or www.foreverliving.co.th. Online orders will be fulfilled directly by the Company on these website. This internet link is arranged so that the FLP pages will remain within the FBO's website. The guests virtually never leave the FBO's website. In order to maintain the integrity of FLP's brand name, product line and the FBO/Customer relationship, an FBO is prohibited from selling any FLP brand products online through an independent website. E-Commerce sales can only be made directly by or through a link to the official Company Webstore at www.foreverliving.com and/or www.foreverliving.co.th.
- (b) Sponsoring an FBO online via an electronic signature application or online form is prohibited outside of the direct application or link to the official Company website at www.foreverliving.co.th.
- (c) Independent FBO websites marketing and promoting the products or business opportunity, without online sales or sponsoring, are permitted so long as they comply with or are modified to comply with Company Policies and the Code of Professional Conduct.
- (d) An FBO may not use the name "Forever Living Products" or any of its trademarks, trade names, product names, domain name (URL) or copy or use any Company materials from any source that may result in misleading or confusing the user into thinking the FBO's website is that of the Company or any of its official affiliates. FLP product names are strictly proprietary to the Company and cannot be used by any FBO as a sponsored link or for any other unauthorized use. An independent FBO website must clearly indicate that it represents an independent FBO who is not an agent of the Company or any of its worldwide affiliates.
- (e) The FBO must link any independent website(s) to the Company's official website created and maintained by the Company at www.foreverliving.co.th.
- (f) All independent FBO websites must reflect and connect only to companies or products that carry the FLP label and be of good moral content.
- (g) **Electronic Advertising.** Independent FBO websites that have been approved by the Company, or are as part of an online banner or display ads that conform to the Company's advertising guidelines and have been approved by Company, will be allowed. Online banners or display ads must be submitted to the Company for approval prior to posting online and must link a user to the Company website or an independent FBO website that has been approved by the Company. All electronic advertising is subject to and controlled by the Company Policies and the Code of Professional Conduct relating to advertising and promotional guidelines.

18. Legal

18.01 Dispute Resolution/Waiver of Jury Trial.

- (a) If a controversy or claim arising out of or relating to the FBO relationship or FLP products cannot be resolved by negotiations, the Company and FBO agree that in order to promote to the fullest extent reasonably possible a mutually amicable resolution of the dispute in a timely, efficient and cost-effective manner, he/she will waive his/her respective rights to a trial by jury and settle the dispute by submitting the dispute to the American Arbitration Association (AAA) for binding arbitration in Maricopa County, Arizona, in accordance with the written procedures adopted by FLP for resolution of disputes in accordance with the written Dispute Resolution Policy currently in effect and available on the Company's website at www.foreverliving.com. Maricopa County, Arizona shall be deemed the sole and exclusive place for jurisdiction and venue of any dispute between the company and the FBO, and if appropriate, under FLP's dispute resolution procedures, a court of competent jurisdiction located in the State of Arizona, Maricopa County. The Forever Business Owner Application and Agreement shall be governed in all respects by the laws of the State of Arizona.
- (b) Participating in the international sponsoring program is a privilege that gives each FBO the chance to benefit from FLP's international network of companies. The international sponsoring program is monitored from FLP's home office in Maricopa County, Arizona. An FBO participating in the international sponsoring program agrees and consents to any disputes arising out of or relating to the FBO relationship or FLP products, involving any of the FLP affiliated companies, shall be resolved through binding arbitration in Maricopa County, Arizona, pursuant to ForeverLiving.com and Forever Living Products International, LLC's current dispute resolution policies as set forth above and stated on FLP's Company website at www.foreverliving.com.

18.02 Testamentary Transfers.

- (a) The transfer or assignment of a Forever Business is prohibited except in the event of death or legal separation or divorce.
- (b) All Forever Business Owner Applications that contain two signatures, regardless of when signed, shall be treated as creating a Joint Tenancy with Right of Survivorship. If the FBO lives in a community property state, the treatment will be that of Community Property with Right of Survivorship. On the confirmation of death of any one of the two signing FBOs, the Forever Business will automatically be transferred to the survivor of the two. This will be the case regardless of what is stated in a Will of the first FBO to be deceased. In addition, this means that when two persons have signed on the Forever Business Owner Application the survivor of the two will be the sole FBO after the death of the first. If an FBO does not wish this result, they must contact the Home Office to express his/her needs and to determine if such needs can be accommodated. Keep in mind that no change in a Forever Business can be made during your lifetime except in the case of a legal separation or divorce.
- (c) If the Distributor application of a legally married person has checked the marital status box as being Married, but the application only contains the signature of one of the

- married parties, the company will treat the Forever Business as being a Joint Tenancy with Right of Survivorship.
- (d) Forever Business Owner applications that have the marital status box checked as being single and with only one signature will be treated by the company accordingly.
 - (e) To transfer a single person's Forever Business on death, such FBO must have a Will or use of a Grantor's Trust.
 - (f) The Company recognizes Joint Tenancy with Right of Survivorship and use of Grantor Trusts as legal means of holding a Forever Business and in the event of an FBO's death, a means of transferring the Forever Business to the Survivor or named beneficiary respectively without having to go through probate proceeding to get the property to the intended heir.
 - (g) If the Forever Business is held in a Business Entity, the death of the primary shareholder will not remove the Forever Business from the Business Entity so long as the ownership of the Business Entity remains in conformity with Company policies governing ownership of such Business Entity. The transfer will be recognized by the Company when a court order or legal documents addressing the transfer are submitted to and approved by the Company.
 - (h) Within six (6) months following the date of FBO's death, the surviving FBO, trustee or estate representative shall provide notification of such death to his/her Domestic Home Office of FLP. Such notice is to include a certified copy of the death certificate, a certified copy of the Will or Grantor's Trust, or Court Order, authorizing the transfer of the Forever Business to a qualified successor. After six (6) months from the date of death, FLP may remove the deceased FBO from the Forever Business. Giving timely notification and providing the required documentation for a successor's interest, will be required to prevent a suspension and/or termination of the Forever Business. If based on valid reasons, a request for a reasonable extension of time to provide transfer documents may be submitted to the deceased FBO's FLP Domestic Home Office prior to the end of the six (6) month period. FLP reserves the right to make payments to the joint survivor, beneficiary, trustee or legally authorized personal representative of the estate of a deceased FBO pending the timely submission of appropriate legal documentation.
 - (i) The inheritable rights to a Forever Business are limited and restricted as follows:
 - 1) The heir must be a person who can qualify as an FBO.
 - 2) Because the heir must be an adult individual, a trust or guardianship may have to be established for multiple heirs or minor children. In the event a trust is established, a copy must be placed on file with FLP. Its terms must clearly allow the trustee to act as an FBO. A guardian or a trustee of a testamentary trust must be appointed by the court of proper jurisdiction and receive specific approval to be FBO on behalf of the minors.
 - 3) A trustee or guardian shall retain the FBO status so long as the Forever Business Owner agreement is not violated, until the beneficiaries have attained the age of majority, and an heir accepts the responsibility of operating the Forever Business with prior approval of the court.

- 4) A trustee, guardian, spouse or other representative-type FBO shall be responsible for the actions of the beneficiary, ward, or his/her spouse for purposes of following the policy terms of the Forever Business Owner agreement. A violation of Company Policies and the Code of Professional Conduct by any of the above individuals may result in termination of the Forever Business.
- 5) The inheritable Forever Business position within the Company Marketing Plan is limited to recognition at no higher than that of Manager. However, bonuses shall be paid at the same levels and requirements as held by the deceased. All Sponsored Managers belonging to the Forever Business will be reclassified as Inherited Managers, who can subsequently qualify as a Sponsored Managers as outlined in Section 5.04(e). Forever Business positions below Manager shall be inherited at that level.

18.03 Transfers Due to Divorce.

- (a) During a pending divorce or negotiation of a property settlement, FLP will continue to disburse payments to the FBO as was done prior to the pending action.
- (b) In the event of divorce or a legal separation, a legally enforceable property settlement agreement may decree the Forever Business be granted to one spouse or the other. The Forever Business cannot, however, be partitioned. Only one adult individual will be entitled to retain the current downline of this Forever Business. The other spouse may choose to establish their own Forever Business at the same level of the Marketing Plan, but no higher than Manager, as established with the ex-spouse. Such other spouse must use the original sponsor. The other spouse's new Forever Business shall be treated by the sponsor as Inherited until re-qualified.

19. Restrictive Covenants
